Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding Administrative Amendment No. 1, which makes technical adjustment to the Stanislaus Council of Governments' (StanCOG) 2004/05-2006/07 Federal Transportation Improvement Program (FTIP). This amendment includes adjustments to the FTA 5311 Non-urbanized formula program to align it with the annual apportionments. StanCOG is now programmed within their revenue levels and the Department requests FTA to approve their FTA 5311 program.

This amendment has been found by StanCOG to not adversely affect air quality, timely implementation of Transportation Control Measures (TCM's), or financial constraints and does not result in major scope change.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

RACHEL FALSETTI, Chief
Office of Federal Transportation Management Programming
